Dear Mayor Williams and Deputy Mayor Councillor Knight

REGARDING: PROPOSED SHIRLEY JOINER RESERVE

The Peel Preservation Group (PPG) wishes to convey heartfelt thanks for acting on its request to name something significant locally in honour of the late Shirley Joiner. PPG secretary for over 16 years, Shirley was a dedicated and inspirational worker for the environment and local community who is sorely missed.

Whilst Shirley actively participated in field work she also put her hand to many submissions and lobbied for PPG to become a stakeholder when the Mandurah Railway was built and was active in the campaign against an estuary channel at Point Grey.

PPG's request was made in 2018 during a meeting between PPG committee members and yourselves. We are very pleased to see a proposal out for public comment in the Coastal Times to name a reserve after Shirley.

Yours sincerely

Susanne Godden

Secretary
